*June 1, 2016*

Loriet is pleased to team up with Juandell (Juan) Brunner, an experienced player, coach and manager from the Miami area. Juan graduated from St. Thomas University after which he played semi-professionally and relocated to Helsinki, Finland. Juan has worked with a number of elite tour players including Juho Paukku (Finland), Lea Kaukonen (Finland), Yana Koroleva (Russia), Tanya Samodelok (Russia) and Victoria Kan (Ukraine, Loriet Pro Team) to name a few.

From Helsinki, Juan moved to Miami, where he lives with his family and continues to excel in player development. Juan is also the author of *Beefy's First Lesson* an illustrated children's book that teaches the basic learning tools of tennis and the importance of practicing, being positive and believing in yourself. We are pleased to work with Juandell to grow the Loriet Pro Team.
