New York, NY, USA – October 2012

Loriet Revolution Poly Pro:

Developed in the U.S.A., tested and approved by professional players, Loriet's multi-filament Revolution Poly Pro strings are a great choice for players in need of greater power without compromising control.

The Loriet Revolution tournament polyester string delivers impressive durability and control for the power it allows. Loriet's strings are designed to give a great response to all types of players, from those who prefer grinding heavy spins from the baseline, to players who attack the net with flatter shots.

- Construction: Multifilament Tournament Polyester Strings
- Gauge: 17 / 1.25 mm
- Length: 40 feet / 12.2 m
- Color: Black and Dark Pink
- Retail Price: \$14.95

Loriet Revolution Synthetic Gut:

The Loriet Revolution Synthetic Gut's microfiber structure reduces vibration at contact with the ball, allowing a larger sweet spot on the racquet. Designed for ultimate comfort and control, these strings also maintain a good amount of power.

Advanced players in need of added power will find the Revolution Synthetic Gut strings to be a great mix with an advanced polyester string such as the Loriet Revolution Tournament Poly Pro.

- Construction: Multifilament Microfiber Synthetic Gut
- Gauge: 17 / 1.25 mm
