

The 40th Annual Music City Tennis Invitational

April 19-21, 2013

Brownlee O. Currey, JR. Tennis Center, Vanderbilt University.
Nashville, TN

The Music City Tennis Invitational (MCTI) is the longest-running music-related charity tennis tournament in the country. The event is open to players of all levels and benefits the Center for Child Development at Monroe Carell Jr. Children's Hospital at Vanderbilt.

This year, Lorient supported this important event by donating apparel and a gift certificate, and through the participation of Lorient Sales Representative Mark Foster. The event was packed with fun activities including two doubles tournaments, Pro-Am, kick-off party, auction, prizes, trophies, food and music and more. Event supporters had the opportunity to participate alongside recording artists, songwriters, music industry professionals and tennis players from across the country.

MCTI credits its 40th anniversary to the support of its dedicated sponsors and volunteers. The MCTI was founded in 1973 by the Nashville music community and has donated more than \$1.3 million to the Center for Child Development, which aids in essential developmental learning and resources for families and children with disabilities.
